

## Teacher Professional Development 2021

Full Sail University is proud to invite you to take part in this year's Teacher Professional Development (TPD) series, a FREE online training initiative for teachers across the globe!

TPD is a series of training sessions using up-to-date techniques to help boost student engagement. The series will consist of 8 monthly modules themed around relevant topics for today's classroom. Each provides an exclusive, personal approach via webinars, video sessions, and interactive hands-on projects.

**Module 1 -  
Technology in the Classroom**

**Module 2 -  
Gamification in the Classroom**

**Module 3 -  
Project Based Learning in the  
Classroom**

**Module 4 -  
Transmedia Storytelling in the  
Classroom**

**Module 5 -  
Psychology of Play in the  
Classroom**

**Module 6 -  
Music in the Classroom**

**Module 7 -  
Media and Communication  
in the Classroom**

**Module 8 -  
Series Review**

Individual recognition of participation certificates will be given to teachers as they finish each module. For those who complete all eight sessions, an additional recognition of participation certificate for the series will be available
